## Post-Conference Activities

Friday, September 13, 2019

8:00 AM - 11:00 AM

**How to Start a Cure Violence**

This workshop will be led by representatives from Cure Violence's training and technical assistance team. The Workshop will include a thorough presentation of why violence is a health issue, the key elements of the CV health approach, lessons learned throughout the implementation process, and evaluation results. CV representatives will discuss pre-implementation activities, such as, capacity and coalition building, and identification of key stakeholders and their potential roles and responsibilities. The session will end with small group, guided pre-implementation planning to assist attendees in identifying action steps for implementation of the Cure Violence health approach in their specific city/community

8:30 AM - 10:00 AM

**Working Group Sessions**

- Policy, Research, Professional Certification

9:00 AM - 3:00 PM

**How to Start a(n) HVIP**

How to start a Hospital-based (or linked) Violence Intervention Program introduces people to the basics of getting a program off the ground, garnering support, and attending to clients.

10:30 AM - 12:00 PM

**Working Group Sessions**

- Communications/Public Ed Campaign, Workforce Development, Mental Health

12:00 PM - 3:00 PM

**How to Start a Trauma Recovery Center**

This workshop will offer an overview of the Trauma Recovery Center (TRC) Model and the Core Elements that define a TRC. We will also share information about ways the TRC model can partner with Healing Justice Alliance programs.
